LARRY GAYNIER

1949-1994

by Jan Stevenson

Larry Gaynier passed away on August 6, 1994 as a result of an AIDS related illness. Larry had served on the Board of Directors of Affirmations in 1990 and 1991. He also served on the Board of MCCD for 4 years. Larry had been a public school teacher for 22 years and held a deep commitment to the well being of all youth, including the youth of the gay and lesbian community. Larry was well loved and respected by those of us who had the privilege of working with him. His gentle, wise counsel will be sorely missed.
